

The Westminster Confession

Chapter 2

Of God, and of the Holy Trinity

3. In the unity of the Godhead there be three persons, of one substance, power, and eternity: God the Father, God the Son, and God the Holy Ghost: the Father is of none, neither begotten, nor proceeding; the Son is eternally begotten of the Father; the Holy Ghost eternally proceeding from the Father and the Son.

There’s nothing N..... about God

The two anti-trinitarian tendencies are:

1) those who think of God as D..... and removed (e.g. Deism)

2) those who draw God down into this world (e.g. Gnosticism)

The 1st tendency believes that P..... will find the way

The 2nd tendency believes in our own G.....

The triune God is one God and is A..... us, F..... us, and I..... us (Matt.28:19)

The apostolic benedictions show this e.g. 2 Corinthians verse
